## Coming Events

### Club Captain Election

It's **TONIGHT**, at the Clubhouse after training.

Check out the duties on the noticeboard and think about who you want to elect as the Club Captain.

## Birth Certificates

Have you handed yours in yet? If not, please do so as soon as you can.

Players **without** birth certificates after the 15<sup>th</sup> April **won't be able to play**.

## Rugby World

Thanks to **Ben 'Cube' Emmett** this is a post match photo of **Kristjan 'Barts' Barter** (Glenden Gladiators and holiday prop for Palmerston!) and **Brock Evans** after both played for the Mackay Representative team against Cairns recently.

**Brock** was asked to play for Mackay (despite being a CDRFU player). Reports are that Brock should have been given far more game time than the 15 minutes he got at the end of the game in which he provided the only spark that Mackay had in the backs all night. (**Cube** assures me this report didn't come from Brock!)

**Kristjan** received high commendation for his efforts at Loose Head including points in the 3-2-1.

**Ben** believes that **Kristjan** has obviously used the experience he gained playing with the **Crocs Killer B's** last season to good effect hence his elevation to representative rugby in Queensland.

Despite all of this, Cairns were far too strong defeating Mackay 44 - 0.

Nice jumper Brock, did you manage to take one home?

## Goose Club

It's back to the regular Friday nights this week. It's **Shane Stoeckert's team's** turn although there is a rumour Shane may have to work a night shift and miss the action.

Make sure the rest of the team is there at 5:15pm ready for a 5:30pm start in club polo shirts.

## Bree Escapades

Would you hang this photo on your wall?

Very nice photo but the subject matter?

Well evidently it is hanging on the walls at the **Hasting on Mindal Resort**.

Apparently Dennis knows everyone Bernie says and Dean Osborne, the developer, decided that he would have photos of **iconic Territorians** on the walls of Hasting on

Mindal and Dennis and his rugby connection made the grade. **Congratulations Dennis.**

When it came time to take the photos **Bernie** and **Noel** were also invited along. They thought they'd just stand side by side and have their photo taken but Julie Osborne, the photographer, had other ideas.

**Bernie** claims it was at least 20 takes with Noel and him **tackling then smashing Dennis** and they were absolutely bugged and really sore! **Blood was also spilt** and many beers were consumed I am told. For some reason their wives didn't believe a word of it when they got home.
